
If you received text messages from Visionworks of America, Inc. (“Visionworks”), relating to its products and services, while your phone was listed on the National Do Not Call Registry or you opted out of text messages, you may be eligible for benefits from a class action Settlement.

Call records indicate you may be affected by a Settlement of a class action lawsuit claiming that Defendant Visionworks violated a federal law called the Telephone Consumer Protection Act (“TCPA”) when it sent telemarketing text messages to individuals who were on the National Do Not Call Registry and/or who previously made a request to Visionworks to not receive future text messages. The lawsuit is called *Lawson v. Visionworks of America, Inc.*, Case No. 6:23-cv-01566 (M.D. Fla.). Visionworks denies all allegations of wrongdoing in the lawsuit.

Your legal rights are affected whether you act or do not. Read this Notice carefully.

Who’s included? You are in the “Settlement Classes” if, from August 16, 2019, through the date of Preliminary Approval, you were sent more than one text message within any twelve-month period from Visionworks regarding its products and services (1) while your phone number was listed in the National Do Not Call Registry for more than thirty days and if you did not provide Visionworks with consent for such text messages or (2) after making a request to Visionworks to not receive future text messages. If you have questions about whether you are a Settlement Class Member, you may call 1-888-831-5689 or visit www.TCPAVWsettlement.com (the “Settlement Website”) for more information.

What are the Settlement terms? Visionworks has agreed to pay \$2,625,000 to establish a settlement fund (the “Settlement Fund”). Under the proposed Settlement, the Settlement Fund would be used to pay the Settlement Class Members (who do not opt out) on a pro rata basis, after any attorneys’ fees, costs (including costs of notice and administering the Settlement), and expenses awarded to Class Counsel have been deducted (which are estimated to be \$1,004,563.00). Settlement Class Members can learn more about the attorneys’ fees, costs, expenses, and Settlement-administration costs by reviewing (1) the Amended Motion for Preliminary Approval of Class Settlement and its attached Exhibit C (available via www.TCPAVWsettlement.com), and/or (2) the forthcoming petition for attorneys’ fees, costs, and expenses due to be filed on June 26, 2026, (which will be posted to the Settlement Website and available on the Court’s docket). Settlement Class Members will be sent their payment to the address provided by Visionworks and/or determined by the Settlement Administrator within forty-five days following the Effective Date.

How can I get a payment? To receive a payment, you are not required to take any action. Once all opt out requests are processed and costs and attorneys’ fees are deducted, the Net Settlement Fund will be distributed to the Settlement Class Members who have not opted out of this Settlement.

Your Other Options. If you do not want to be legally bound by the Settlement, you must exclude yourself by sending a letter to the Settlement Administrator saying you want to be

excluded from *Lawson v. Visionworks of America, Inc.*, Case No. 6:23-cv-01566. The letter must be postmarked on or before August 5, 2026, to the following address: Visionworks TCPA Settlement, Exclusion Requests, P.O. Box 2240, Portland, OR 97208-2240. If you do not exclude yourself, you will release any claims you may have against Visionworks related to its text messages at issue, as more fully described in the Settlement Agreement available at the Settlement Website (www.TCPAVWsettlement.com).

You may also object to the Settlement by submitting a written objection to the Court identifying yourself and the action, explaining the basis for your objection, and providing other pertinent details about your objection. Your objection must be postmarked on or before August 5, 2026, to be considered timely. The Settlement Website also includes a link to view the Long Form Notice, which provides further details for how to exclude yourself or object. The Court will hold a Final Approval Hearing on August 25, 2026, at 10:30 a.m. to consider whether to approve the Settlement and Class Counsel's request for attorneys' fees, costs and expenses of up to 33% of the Settlement Fund, (which will be posted on the Settlement Website when filed for transparency). You may appear at the hearing, either yourself or through an attorney you hire, but you don't have to. For more information, call the number below or visit the Settlement Website.
